

InStillness Concierge
The Luxury of Presence

Exclusive 1:1 retreat services
for discerning villa guests.
Available from November
2025.

A photograph of a modern, minimalist villa with a large infinity pool. The pool's edge is perfectly aligned with the horizon, creating a seamless transition between the water and the ocean. The villa features large glass doors and white columns, with two lounge chairs on the terrace. The scene is set during sunset, with a warm, golden light reflecting off the water and the sky. The text "Beyond Outer Luxury" and "The Luxury of Presence" is overlaid on the top left of the image.

Beyond Outer Luxury
The Luxury of Presence

InStillness Concierge is a unique, high-end retreat service designed for villa guests who seek not only the beauty of their surroundings, but also the rarest luxury of all: **inner stillness**.

Unlike traditional yoga or wellness sessions, I travel to the villa and remain exclusively available for the guest during their entire stay. Discreet, flexible, and entirely tailored to individual needs.

From November 2025 onwards, I am available for private bookings between 4 and 10 days.

What I Offer

- Yoga – Gentle, powerful, or restorative, tailored to the moment
- Meditation & Breathwork – Guiding guests into presence and calm
- Bodywork & Somatic Practices – Releasing tension and restoring energy
- Inner Guidance & Conversation – Space for reflection, clarity, and stillness
- On Call – No fixed schedules. The guest decides freely, I adapt.

Every service is provided in a highly personal, one-to-one setting. Always discreet.
Always exclusive.

Not a Program.
A Presence.

Most wellness services are booked per hour.
InStillness Concierge is different.

I become a part of the guest's stay – exclusively
dedicated to them, available whenever they
wish.

This means no pressure, no schedule, no limits.
The villa provides outer luxury – I provide inner
luxury. Together, they create a complete
sanctuary for renewal and transformation.
